December 9, 2004

Date

REQUEST FOR WITHDRAWAL OF DECEMBER 6, 2004 NOTICE OF NON-COMPLIANT AMENDMENT (37 CFR 1.121) IN U.S. PATENT APPLICATION NO. 09/411,663

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450
Attention: Laticia Tyson, Legal Instruments Examiner (LIE)

Sir:

This responds to the December 6, 2004 Notice of Non-Compliant Amendment (37 CFR 1.121) in the above-identified application, and is consistent with the teleconference on December 9, 2004 between the undersigned attorney and Ms. Laticia Tyson, Legal Instruments Examiner (LIE), which revealed that such December 6, 2004 Notice was issued by the Patent and Trademark Office IN ERROR.

A review of the USPTO file record with Ms. Tyson revealed that the reason for the Notice, not indicated on such document, was that the Amendment filed August 16, 2004 allegedly was missing pages 9-20. **THIS, HOWEVER, IS NOT CORRECT, SINCE THE AUGUST 16, 2004 AMENDMENT CONTAINED 38 PAGES, WAS FILED BY FAX TO USPTO CENTRAL FAX NUMBER (703) 872-9306, AND WAS CONFIRMED BY AUTO-REPLY FAX FROM THE USPTO AS HAVING BEEN RECEIVED IN ITS ENTIRETY OF 38 PAGES.**

Accordingly, consistent with the discussion with Ms. Tyson, enclosed herewith are copies of:

- (1) the August 16, 2004 Amendment response, in its entirety (with the exception of a 38th page, which was a Credit Card Authorization Form, and is not being resubmitted herewith, in order to avoid any duplicative charge that would compound the USPTO errors already made) (37 pages);
- (2) the August 16, 2004 Auto-Reply Facsimile Transmission issued by the USPTO to the undersigned attorney by fax, evidencing receipt by the PTO of the entire 38 pages of the response, including the 37 page Amendment and the single page Credit Card Authorization Form, on "8/16/04 2:11:51 PM [Eastern Daylight Time]" (1 page); and
- (3) the August 16, 2004 Transmission Report from the undersigned attorney's fax machine used to transmit the August 16, 2004 Amendment response, evidencing that 38/38 pages were transmitted, beginning at 2:10 PM ("Total Pages Confirmed: 38") (1 page).

It therefore is amply evident that the August 16, 2004 Amendment response, including pages 9-20 thereof, were transmitted and were received in the USPTO, which subsequently lost or failed to properly scan all pages of claims included in such Amendment. **The USPTO is correspondingly respectfully requested to (i) withdraw and vacate the December 9, 2004 Notice of Non-Compliant Amendment (37 CFR 1.121), (ii) enter the August 16, 2004 Amendment response into the record of the application, in its entirety, and (iii) confirm such rescission of the December 9, 2004 Notice of Non-Compliant Amendment (37 CFR 1.121) and entry of the August 16, 2004 Amendment response into the record of the application, so that it may be considered by Examiner Tran on the merits at an early date.**

Respectfully submitted,

Steven J. Hultquist
